Be sure to include a legend

One inch=three feet

Show the compass orientation NORTH as the top side of the sheet

A double homicide has occurred at 6:30PM in the home of a local celebrity. In the master bedroom, a room that measures 12ft on the north wall and 18ft on the east wall, a female victim was found dead in the middle of the bed, face up. The bed is located in the middle of the room on the north wall with two side tables (3ft x 2ft) with lamps and clocks on each side. This bed measured 6 ft. x 6ft. In the bathroom which gives additional square footage, located to the southwest side of the master bedroom measures 9ft x 9ft, a man was stabbed in the shower and fell face down. The knife was recovered from the sink in the vanity of the same bathroom. The shower located on the southwest wall of the bathroom measured 6ft on the south wall and 3ft on the west wall. The door to the bathroom is located in the middle of the north wall that goes into the bedroom. A toilet and vanity also were located on the west wall, in that order from the shower. Inside the closet, located on the west wall, also gave additional square footage to the scene. The closet measured 3ft to the north and 12ft to the west and has a door on the east wall that goes into the bedroom. This closet had hanging clothes all the way around the perimeter. Inside the closet, in the center of the floor, a bloody gun was found. In the southeast corner of the bedroom was a huge palm tree. It was located to the east of a huge plasma TV, which was mounted on the south wall. There was one window in the master bedroom; it was 6ft in length in the middle of the east wall.
